

INTEGRA
ASSET SOLUTIONS

INSURANCE COVERAGE REQUIREMENTS

Company must possess no less than \$1,000,000 in General Liability coverage, with \$2,000,000 general aggregate as well as \$1,000,000 in Workers Compensation coverage or less with the "Statutory Limits" box checked. No exceptions. **Any reference to a written contract will not be accepted.** Certificate must include a signature from an insurance representative.

Certificate Holder and Additionally Insured:

Integra Asset Solutions, LLC.
2000 Center Drive, Colab Suite,
Hoffman Estates, IL 60192

Please send an email to info@integra-as.com to request the specific insurance requirements for each auction. There is typically more than one company that needs to be listed as certificate holder and additionally insured. Your insurance certificates must be submitted for review and approval before you start working on-site at our auction locations.
